

## HNB Salt N Pepper

Date of Birth: 05/14/2021  
Registration 1: CI334486

The one that started it all. This big, bodied girl is not only a great mother but an easy keeper. Always willing to be handled and works with the flow of the herd. She is a great milker and carries her calves well.

TTT: 60.3750 on 04/26/2025
